

WORK TRIPS MADE EASY

Ship breast milk home with
Milk Stork

1 ORDER

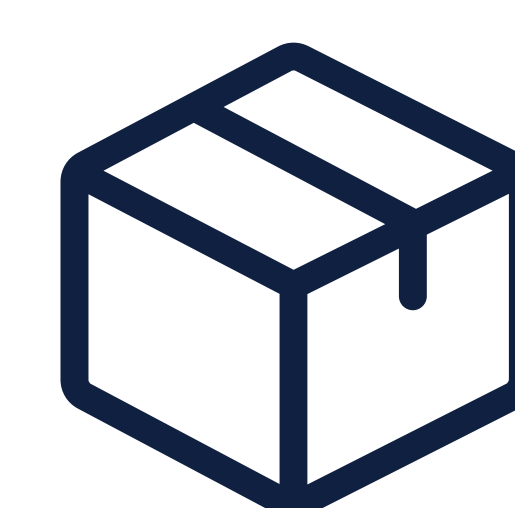

Employees order a Milk Stork kit for delivery to their home or hotel. It has everything needed to pack and ship their breast milk, including a medical-grade breast milk cooler and pre-addressed shipping labels.

2 PUMP

Employees pump according to their regular schedule during their trip, then refrigerate or freeze expressed breast milk until they're ready to pack their coolers.

3 SHIP OR CARRY HOME

Employees can schedule a pickup for their breast milk shipment, or carry it home at the end of their trip as a carry-on or checked luggage.
