## LET MILK STORK DO THE HEAVY LIFTING!

Easily transport your frozen stash of breast milk to your new home with the Milk Stork Stash™

### FROZEN BREAST MILK OPTIONS

#### The Stash **SHIPPER**

The Stash Shipper is for long-distance moves that require shipping frozen milk and includes a pre-addressed FedEx Priority Overnight shipping label.

#### The Stash **MOVER**

For a short-distance move, transport 180 oz of frozen breast milk by car or truck.

### HOW IT WORKS

Relocating your family can be difficult, especially if you have a large stash of frozen milk that you need to get across the state, across the country, or even across the ocean. Milk Stork's easy-to-use Stash Shipper and Stash Mover hold up to 180 oz of frozen breast milk and keeps it frozen for 96 hours with no dry ice!
